## Love Your Neighbor as Yourself

By Al Mulder and Bonny Mulder-Behnia

Scripture Reading: Mark 12:28-34

"The most important [commandment] . . . is this: '. . . Love the Lord your God. . . .' The second is this: 'Love your neighbor as yourself."'

Mark 12:29-31

We learn many rules growing up: Brush your teeth. Look both ways before crossing the street. Always tell the truth. Which of these is most important?

Jesus was asked a similar question: Of the many commands and regulations in the law of God, which one tops the list? Jesus did not hesitate: "Love God above all"—and he quickly added the second: "Love your neighbor as yourself."

And what kind of *love* does this refer to? In connection with God's love for us, this is unconditional love—totally gracious, generous, and with no strings attached.

Notice especially that Jesus says, "Love your neighbor *as yourself*." This means that if we are to love our neighbors unconditionally and generously, we will need to love *ourselves* that way too! God doesn't make junk. We are created in God's image; we are his masterpieces. It's not just *okay* to love myself: God *expects* me to celebrate the person he created me to be!

The Golden Rule Jesus gave us—"Do to others what you would have them do to you" (Matthew 7:12)—is another way of saying this command to love our neighbor as ourselves. Loving others well depends at least partly on our capacity to love ourselves.

### Join the Coop Club

The church has joined the Presbyterian Church's "An Egg a Day" starting in January. Materials alerting us of the impact of the family of chickens that we send around the globe to help families start raising chickens will provide eggs, feathers and fertilizer to the underprivileged. These people have underwritten a \$25 gift of chickens to be a sustainable source of income and food.

We are in need of donors \$25 for every month,

Make your check of \$25 payable to Greenwich Presbyterian and write Coop Club in the memo space.

As we get back to some "normal" lives with school occupying the children and fall chores facing us, remember those who are feeling the crunch of too little money to feed their families. In November and December our least coin offering will go to many of the families in our community whose children receive free lunches at school.

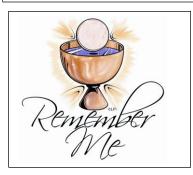

The little Yellow pantry has been used regularly throughout the summer and we need canned meats such as Spam, Ham, Chicken, tuna, peanut butter, Mayonnaise, Spaghetti sauce, pasta, packaged stew, canned soups. A few cans purchased as you shop and delivered on a Sunday to the shelving near the nursery or the box outside will spread our love to the community.

# The next time you feel like GOD can't use YOU, just remember...

Noah was a drunk Abraham was too old Isaac was a daydreamer Jacob was a liar Leah was ugly Joseph was abused Moses had a stuttering problem Gideon was afraid Sampson had long hair and was a womanizer Rahab was a prostitute Jeremiah and Timothy were too young David had an affair and was a murderer Elijah was suicidal Isaiah preached naked Ionah ran from God Naomi was a widow Job went bankrupt John the Baptist ate bugs Peter denied Christ The Disciples fell asleep while praying Martha worried about everything The Samaritan woman was divorced, more than once Zacchaeus was too small Paul was too religious Timothy had an ulcer... AND Lazarus was dead!

No more excuses now!! God can use you to your full potential. Besides you aren't the message, you are just the messenger.

**World Wide Communion** is celebrated on Sunday, October 1<sup>st</sup>. Imagine a wave traveling around the world starting in Australia and the far east and constant movement as the passing of the bread and cup make the circuit around our planet.

The Peacemaking Offering is also taken up on that Sunday. At this time of turmoil in our world WE need to make ourselves a contribution to the peace and grace God freely gives.

is success? To laugh often and much; to win the respect of intelligent people and the affection of children; to earn the appreciation of honest critics and endure the betrayal of false friends; to appreciate the beauty; to find the best in others; to leave the world a bit better, whether by a healthy child, a garden patch Or a redeemed social condition; to know even one life has breathed easier because you have lived. #### Food Booth at Artisans' Faire

The church will once again be selling soup, baked goods, and possibly meatball sandwiches at the Artisans' Faire. We are in need of another pop-up tent and an electric roasting pan or two. If anyone has these things to lend, see Barbara Wheaton. We will also need help making soup, baked goods, and people to work in the booth. Sign-up sheets are available in the Fellowship Hall.

#### Help Needed

The Property Committee is looking for volunteers to help mow the lawn at the Manse. It is a big job, and many hands make light work. If you are willing to mow even once or twice a month, please contact Pat McAllister. He can be reached in person or at (609)805-1050. Any help would be appreciated.
